Senior Seminar Preference Sheet

Your name: ____________________________________________ College (circle one): BC  CC  GS

Email address: ______________________________________  Expected graduation (mo/yr): __________

Specialization: _______________________________________

Please give us a proposed thesis topic:
_________________________________________________________

(This is not a firm commitment. You can change your topic in the fall.)

Please rank the following Senior Seminars from 1-3, 1 being the course you would most prefer:

____  URBS V3992x/V993y  The Built Environment
____  URBS V3994x/V995y  New York Area Undergraduate Field Research
____  URBS V3996x/V997y  International Topics in Urban Studies

If you are planning to take a two-semester research seminar in the department of your specialization instead of an Urban Studies Senior Seminar, please explain here (must be approved by the Director):
_________________________________________________________

Please list all related courses you have taken to date (not every blank has to be filled):

1. ____________________________________________ 6. ____________________________________________
2. ____________________________________________ 7. ____________________________________________
3. ____________________________________________ 8. ____________________________________________
4. ____________________________________________ 9. ____________________________________________
5. ____________________________________________ 10. ____________________________________________

Final steps:

• Submit this form to Flora Davidson (office: Lehman 416B, email: fdavidso@barnard.edu) as soon as possible to be considered, and no later than Friday, April 20, 2012. You will be informed of your placement before classes begin next fall.

• As soon as your registration period begins, please enroll in your first choice for the senior seminar. This is a critical step; if you do not register for one of the seminars, you will place yourself at a serious disadvantage of getting a top choice.
